A.D.A.

The Village of Orland Park Recreation Department advocates for full participation under the Americans with Disabilities Act (ADA). A request for ADA modifications or assistance at a program is required at the time of registration. Please mark the ADA box on the registration form. Early registration, along with a request for accommodation, is strongly suggested to assure that appropriate modifications are secured prior to the start of the program. **We recommend at least two weeks is needed to have modifications in place.** Every attempt at reasonable modifications will be made so that individuals may participate in a desired program. It may not be possible for the participant to attend the program until modifications are provided.
