Orland Park Police Department's Mission Statement

The mission of the Orland Park Police Department is to enhance the quality of life for the people and families within our community by providing professional, high quality and effective police service in partnership with the people. We, the members of the Orland Park Police Department believe that our work has a vital impact on the quality of life in our community. To demonstrate our dedication to our profession and our community, we commit ourselves to the following values:

Integrity

Integrity is defined as being honest, moral, upright, and sincere. We believe that integrity is the basis for community trust; therefore, we can only serve effectively to the extent that we are credible, individually, as a department, and as a profession. We lead by example in both our professional and private lives and strive to serve as role models for the community. The high level of integrity of our employees is the very foundation of the Orland Park Police Department.

Community Partnership

We see the community in a partnership role; our citizens are our partners as well as our clients. Dedicated to professional service, we are constantly striving to work with the community to solve problems. We actively solicit citizen participation in the development of police activities and programs that impact their neighborhood. The department gives a high priority to crime prevention and community safety and is committed to implementing those practices that afford greater contact between the police and the community.

Community Problem Oriented Policing

The Orland Park Police Department is committed to an open and honest relationship with the people of the community. Department members shall uphold laws in an ethical, impartial, courteous, and professional manner while respecting the rights and dignity of all persons. We shall strive to achieve a balance between enforcement and community needs that reflect both the spirit and the letter of the law.

Commitment to Employees

The department recognizes that its employees are the vital component to the successful delivery of police services. We believe we can achieve our highest potential by actively involving our employees in problem solving, and the development and implementation of programs. We strive to achieve an environment of mutual respect and trust. The department recognizes and supports academic achievement of employees and promotes their pursuit of higher education.

Professionalism and Dedication

We are proud of the trust that the public places in us individually, as a department, and in our profession. We are committed to the development and maintenance of a force of well-trained, thoroughly professional employees that are dedicated to public service and protection to the people of the Village of Orland Park. The department shall continue to provide reinforcement and support to those employees who offer contributions to a work environment that reflects dedication to department values.

Message from the Chief

Mayor McLaughlin, Trustees and Village Manager:

I am pleased to provide to you the annual report of the Orland Park Police Department for 2013. The report provides a summary of the activity and accomplishments of the Orland Park Police Department during the past year.

Crime in Orland Park went down 16% from 2011 to 2012; and from 2012 to 2013 we saw another drop of 2.4%. Thus, over a two year period we have seen nearly a 19% reduction in crime; a very significant accomplishment.

Crimes against persons increased by one in 2013 while crimes against property were reduced by thirty -two. We also saw a reduction of eighty-nine retail thefts in 2013 versus 2012. We had five criminal sexual assaults in 2013 versus one in 2012. All of these cases were relationship in nature. In all five cases, the adults took sexual advantage of innocent minor children with whom they had a relationship.

We implemented a strategy of enhanced foot patrols, mobile patrols and undercover officers during the holiday shopping season throughout our retail and commercial areas that led to one of the most uneventful holiday shopping seasons in recent memory. The director of security at Orland Square Mall and many retailers commented on the police presence and the positive impact it had on the shopping experience. One of the benefits may have been a 22% increase in holiday sales at Orland Square Mall according to their director of security.

One area of concern remains the number of involuntary committals for mental illness that have increased from two in 2011 to seventy one in 2013, a 3500% increase. We have already had twelve in January alone. The involuntary committals reflect a substantial increase in calls for service involving people with mental illness and outcries utilizing social media. A recent article (Chicago Tribune 2/11/14) in the newspaper indicated that this may be at least a regional trend and also highlights the effect on police manpower as a result. Other factors are discussed on page 32 of our report.

2013 was a challenging year from the standpoint of staffing. Retirements, injuries and illnesses reduced our sworn staffing by as much as nine percent during the year. Civilian staff was also reduced due to numerous retirements resulting from the buyout.

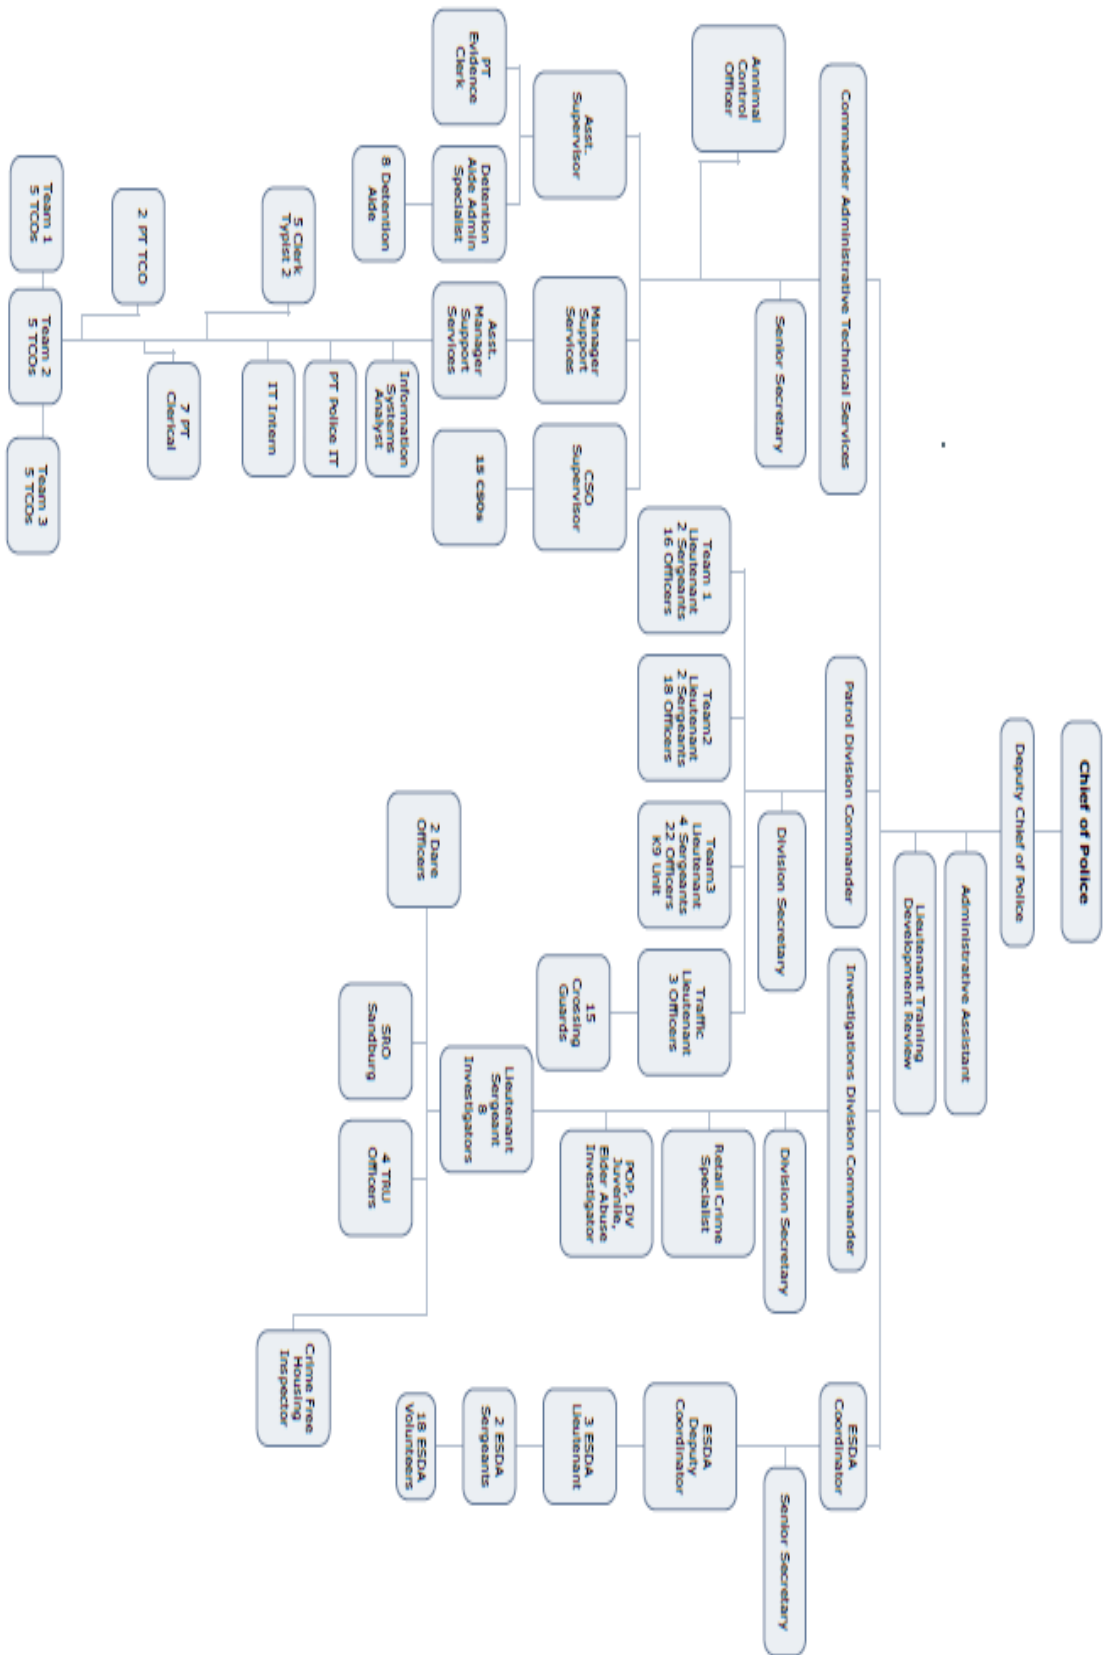

Community engagement programs did not suffer in 2013 as we conducted eight beat meetings, three Police in the Park programs; attended several dozen block parties; held our senior citizens crime prevention luncheon, National Night Out, crime prevention seminars with our businesses, a regional retail security seminar, bike patrol in all beats, DARE, station tours, citizens police academy and many other activities to insure we have timely and relevant communication with our residents and businesses.

The men and women of the Orland Park Police Department are very proud of these accomplishments in 2013 and along with our colleagues in the other village departments are continuing to strive to make Orland Park one of the safest and most desirable communities to live, raise a family and conduct business. We appreciate the significant resources dedicated to the Orland Park Police Department by the Mayor and Board of Trustees and trust that you find your investment is being used wisely and efficiently.

Sincerely,

Timothy J. McCarthy
Chief of Police

Orland Park Police Department Organizational Chart 2014

Orland Park Police Department's 2013 Strategic Goals

Police Department - Administration

MISSION

The mission of the Orland Park Police Department is to enhance the quality of life for the people and families within our community by providing professional, high quality and effective police service in partnership with the people. We, the members of the Orland Park Police Department believe that our work has a vital impact on the quality of life in our community.

- **GOAL NO. 1-ENHANCED TRAINING:** Training Development and Review Unit will provide specialized training in FY 2013 that will increase sworn officers' knowledge base and ultimately improve the overall efficiency and effectiveness of the Department.
 - **OBJECTIVE 1** – Develop and implement a multi-faceted training program on 4th Amendment law for all full-time sworn personnel by the first quarter of 2013. The program, measured through a pre and posttest evaluation, shall increase officers' knowledge base by 50% in search and seizure law.
 - **PURPOSE** – Search and seizure law is ever evolving and complex. Understanding and applying the principles that govern 4th Amendment law will assist in decreasing motions to exclude evidence, quash arrests, accusations of misconduct and ultimately lowering the Department's potential for liability.
 - **OBJECTIVE 2** – Train and state certify at least one additional officer in Accident Reconstruction by the end of 2013.
 - ◆ **PURPOSE** – Having an additional officer certified in accident reconstruction will provide an additional check and balance and thereby increase the efficiency and effectiveness in the identification and documentation of the causes of major crashes.
- **GOAL NO. 2 - NIMS COMPLIANCE:** Achieve full compliance with the National Incident Management System (NIMS) certification requirements for FY 2013.
 - **OBJECTIVE 1** - Complete IS-700 and ICS-100 awareness training for all officers. IS-702, IS-703 and IS-704 will be completed by personnel assigned to specific duties within the ICS framework. Supervisory staff will successfully complete ICS 200, ICS-300 and IS-800. Lieutenants and Command Staff personnel will complete ICS-400. Command Staff personnel will also complete IS-703, 704, 706, and 800. All NIMS related training will be completed by September 1, 2013.
 - **PURPOSE** - The Federal Government has provided specific directives in the which employees must complete specific levels of ICS training for the organization/municipality to be in full compliance. This training plan is developed to meet that requirement.
 - **OBJECTIVE 2** - Conduct a position-specific ICS training practicum by the end of the third quarter of 2013.

- **PURPOSE** – As part of gaining full federal NIMS compliance, an ICS practicum is a required.
- **GOAL NO. 1 – Village Code Violations, Fine Review** – Conduct a review of Village code related to police operations and develop recommendations for a standardized fine schedule.
- **OBJECTIVE 1** – Conduct a thorough review of Titles 8 and 9 of the Village Code to identify code violations enforced by the Police Department. Identify locations with each title where fines are specified and mark up a document that will facilitate development of a standardized fine schedule. Complete this work within the 1st Quarter of FY 2013
 - **PURPOSE** – To audit related code and eliminate potential confusion with respect to fine amounts contained within each ordinance violation.
 - **OBJECTIVE 2** – Prepare a complete standardized fine schedule system document that will provide for uniformity and consistency with respect to code violations found in Titles 8 and 9 of the Village Code. Complete this work within the 2nd Quarter of FY 2013.
 - **PURPOSE** – A system of standardized fines related to violations of Village code would allow for a single point adjustment when fines are changed.
 - **OBJECTIVE 3** - Arrange previously developed documents that identify inconsistencies in fine amounts in Title 8 and 9 and provide for a standardized fine schedule and present them to the Village Clerk with recommendations.
 - **PURPOSE** – The work needs to be reviewed and approved through the office of the Village Clerk before going forward to implement these modifications.
 - **OBJECTIVE 4** - In collaboration with the Office of the Village Clerk prepare these recommendations and documents for action by the Village Board within the 3rd Quarter of FY 2013.
 - **PURPOSE** - Once work with the Clerk’s office is completed and final documents are prepared action will be required by the Village Board to implement the modifications.

Village of Orland Park
Police Department – Administration and Technical Services

MISSION

The mission of the Orland Park Police Department is to enhance the quality of life for the people and families within our community by providing professional, high quality and effective police service in partnership with the people. We, the members of the Orland Park Police Department believe that our work has a vital impact on the quality of life in our community.

- **GOAL NO. 1 – Review of the Police Radio Network System:** Conduct a review of all communication towers and equipment to ensure system reliability and optimum performance. Resolve issues of poor portable radio reception and transmission by conducting a system check to see how much radio coverage may have lost as a result of the recent frequency narrow banding.
 - **OBJECTIVE 1 -** Conduct a thorough inspection of all radio transmitters, receivers and antennas at the communication towers and in the server room. Repair or replace any defective equipment, connections or telephone lines which may negatively affect communication performance. The review will be completed during the first quarter of FY13.
 - **PURPOSE –** The reliability of the police department radio communications system is a high priority. Emergency 911 dispatching, public safety and officer safety depends on a reliable radio communications system. Preventive maintenance of the system needs to be conducted to reduce the risk of a system failure during a critical incident.
 - **OBJECTIVE 2 -** Determine the best location and install a second radio transmitter that will not interfere with the radio receiver sites. The installation of the transmitter will be completed during the second quarter of FY12.
 - **PURPOSE –** The second transmitter will provide the department with a redundant system in case of a transmitter failure.
 - **OBJECTIVE 3 -** Install additional receiver sites if necessary by the fourth quarter of FY13.
 - **PURPOSE –** Once the system coverage analysis has been conducted, it will be determined whether the radio system needs additional receiver sites to enhance the reception capabilities that may have been lost due to narrow banding.
- **GOAL NO. 2 – APS (Advanced Public Safety) E-Ticketing System Implementation:** In conjunction with the Circuit Court of Cook County, implement an e-ticketing system for traffic violations that would integrate with the police department’s New World records system. The integrated e-ticketing system for traffic violations is an attempt to steer away from traditional paper-based ticketing in order to reduce the cost of ticket printing and reduce data entry of the tickets in the department’s New World records system. When a police officer issues a traffic citation through the system, instead of handwriting a paper ticket, the ticket details are inputted into a Web application on a computer in the officer’s squad car. An in-car printer then prints out a receipt for the driver.
 - **OBJECTIVE 1 -** Install the APS e-ticketing software in the police department’s computer system and in every mobile vehicle computer. This software will be installed during the first quarter of FY13.

- **PURPOSE** – The proper installation and integration of the software between the police department and the Cook County Circuit Court is essential for the system to function.
- **OBJECTIVE 2** – Implement a Train-the-Trainer Program in the use of the e-ticketing software and hardware (printer). Nine officers, one clerical employee and three administrative employees will be selected and trained by the Cook County program facilitators in the function of the software program. This group will use and test the program for full functionality before the program is rolled out to the entire department. This phase will be completed during the first quarter of FY13.
 - **PURPOSE** – The purpose of the Train-the-Trainer Program is to develop specific individuals who will become very familiar with the system. These individuals will be given the responsibility to train the entire department. A benefit of the Train-the-Trainer approach includes mastery of the program by the training employee. The trainer will then demonstrate his/her ability to transfer that knowledge to other members of the department. After the initial training, these trainers will be available on each shift to provide practical hands-on instruction in the field.
- **OBJECTIVE 3** – Train 100% of the patrol officers and the appropriate clerical staff and administrators in the use of the APS E-Ticketing software and transition from paper-based ticket books to the computer based e-tickets. Traditional tickets will remain available if needed in case of a system or network failure. This program will be implemented by the second quarter of FY13.
 - **PURPOSE** – Upon full implementation of the e-ticketing program, the process should reduce the cost of ticket book printing and reduce data entry of the tickets in the department’s New World records system by the clerical staff. The e-tickets are more legible than handwritten carbon copy tickets. Once a ticket is issued, a copy of the e-ticket will be able to be retrieved from any department computer for viewing or printing.
- **GOAL NO. 3 – New World Traffic Crash Module Implementation:** Implement the use of the New World Traffic Crash Module. The New World Traffic Crash Module will be available to the police department in the scheduled system upgrade (Version 10.0). The implementation of this module will be completed in the fourth quarter of FY13.
 - **OBJECTIVE 1:** Install the New World Traffic Crash Module in conjunction with the Version 10 system upgrade. The system upgrade is expected to be completed in the third quarter of FY13.
 - **PURPOSE** – This system upgrade will correct many deficiencies in the current New World software program (Version 9). The Crash Module will be installed and will replace the MCR Crash Reporting system currently being used for traffic crash reporting.
 - **OBJECTIVE 2 -** The Crash Report module will be tested to determine if the program functions properly and fully complies (100%) with all of the state requirements for traffic crash reporting and data collection. The system test will include proper parsing of information from the Secretary of State/LEADS database and if possible and practical incorporate driver’s license scanning technology. The testing will be completed in the third quarter of FY13.
 - **PURPOSE** – The use of the New World Crash Module will integrate crash reporting with the current New World Field Base Reporting System in order to eliminate two separate systems. This will enhance the department’s information database and decrease the amount of clerical data entry for crash reporting.

- **OBJECTIVE 3** - Once the traffic Crash module is installed, the department will implement a Train-the-Trainer Program to instruct 100% of the patrol officers on the use of the module and fully implement its use. This objective will be completed during the fourth quarter of FY13.
 - **PURPOSE** – The training aspect is important due to the fact that the New World system is very different from the current MCR Crash Reporting system. Officers as well as clerical staff will need to become familiar with the new module prior to implementation. Upon completion of the training, the module will be used to its full potential and the MCR system will no longer be used for crash reporting.

➤ **GOAL NO. 4 – Install a Bi-Directional Amplifier Radio System at the Orland Square Mall and Carl Sandburg H.S.:** Install an effective and cost efficient bi-directional amplifier radio system at the Orland Square Mall and Carl Sandburg High School. The installation of these systems will enhance the performance of the radio system in the Orland Square Mall and at Carl Sandburg H.S. where there are decreased reception and transmission capabilities due to the (concrete and steel) structures. The performance enhancement will be measured by a clear and strong radio signal at the selected areas after the antennas are installed.

- **OBJECTIVE 1** - Using a portable radio, physically identify 12 locations in the Orland Square Mall and 5 locations at the Carl Sandburg H.S. where there are poor radio reception and transmission capabilities. This objective will be completed in the first quarter of FY13.
 - **PURPOSE** – Poor reception and transmission locations need to be identified in order to develop a plan to install antennas, which would increase signal strength in the area.
- **OBJECTIVE 2** - Install the cabling, antennas and the bi-directional amplifier in the areas of the Orland Square Mall where there are problems with reception and transmission. Test the system and make any necessary changes and adjustments to the system for maximum performance. A clear and strong radio signal at the twelve pre-selected locations will be the measurement of maximum performance. This objective will be completed in the first quarter of FY13.
 - **PURPOSE** – The installation of the equipment will enhance the ability of officers to communicate with dispatch while on assignment within the Orland Square Mall.
- **OBJECTIVE 3** - Once the system is installed and functioning properly at the Orland Square Mall, the installation of the cabling, five antennas and the bi-directional amplifier will begin at the Carl Sandburg High School. The system will be tested and any necessary changes will be made for maximum performance. A clear and strong radio signal at the five pre-selected locations will be the measurement of maximum performance. This objective will be completed in the second quarter of FY13.
 - **PURPOSE** – The installation of the equipment will enhance the ability of the School Resource Officer (SRO) and other officers to communicate with dispatch while on assignment within the school.

**Village of Orland Park
Police Department - Patrol**

MISSION

The mission of the Orland Park Police Department is to enhance the quality of life for the people and families within our community by providing professional, high quality and effective police service in partnership with the people. We, the members of the Orland Park Police Department believe that our work has a vital impact on the quality of life in our community.

- **GOAL NO. 1 - Increase Road Safety:** Driving Under the Influence continues to have a significant impact on road safety. DUI related traffic crashes result in more than 300,000 injuries in the United States annually.

OBJECTIVE 1 - Increase DUI enforcement by 10% though FY13.

- **PURPOSE** - Increase DUI enforcement will result in safer travel within the Village.

OBJECTIVE 2 – Publicize and conduct one (1) roadside safety check during FY13.

- **PURPOSE** – Public awareness of roadside safety checks should have an impact on driving behavior. Roadside safety checks have been shown to be an effective tool used to enforce DUI laws.

OBJECTIVE 3 - Conduct four (4) quarterly special enforcement details utilizing Traffic Unit officers deployed at times and days prone to DUI violations.

- **PURPOSE** – Traffic officers assigned to this enforcement should be more effective since they would not have normal beat patrol duties to attend to.

- **GOAL NO. 2 – Reduce Distracted Driving related Crashes:** The National Highway Traffic Safety Administration estimates that 25% of all reported crashes involve distracted driving. Drivers taking their eyes off the road to read information on a cell phone is illegal and puts themselves and others at risk for serious injury.

- **OBJECTIVE 1** – Determine two (2) locations with highest number of reported crashes in the first quarter of FY13.

- **PURPOSE** – Determine road segments with high level of crash reports to be targeted for enforcement.

- **OBJECTIVE 2** – Conduct one (1) public awareness campaign utilizing local media. Post electronic signage with message related to compliance with 625 ILCS 5/12-610.2, Use of Electronic Communication Device While Driving for one (1) month in the first quarter FY13.

- **PURPOSE** – To inform the motoring public of the rules of the road related to the use of cell phones while driving and to inform them that extra enforcement will be forthcoming.

- **OBJECTIVE 3** – Conduct quarterly enforcement details on road segments designated as having a high frequency of crashes, to be completed by the end of FY13.

- **PURPOSE** – To insure statute compliance and reduce motor vehicle crashes.
- **GOAL NO. 3 - Improve Police Response Efficiency:** Improve police dispatching and emergency response through the use of available computer hardware along with software upgrades.
 - **OBJECTIVE 1** - Integrate new police information management system and emergency dispatch management software in Patrol Division operations by the First quarter of FY13.
 - **PURPOSE** - Modernization of dispatch calls for police service will improve police response to emergencies.
 - **OBJECTIVE 2** - In collaboration with Support Services Division conduct training with telecommunication and supervisory staff regarding proximity dispatching by the second quarter of FY 13.
 - **PURPOSE** – Training regarding integration of these technologies will allow for seamless utilization of the full capability of the system.
 - **OBJECTIVE 3** – Evaluate impact of implementation and utilization of proximity dispatching based on call priority and units geographic positions as it relates to response times by the end of FY13.
 - **PURPOSE** - Proximity dispatching of emergency calls will put the resources that are closest geographically on scene faster and greatly decrease our response time to in-progress crimes.

**Village of Orland Park
Police Department - Investigations**

MISSION

The mission of the Orland Park Police Department is to enhance the quality of life for the people and families within our community by providing professional, high quality and effective police service in partnership with the people. We, the members of the Orland Park Police Department believe that our work has a vital impact on the quality of life in our community.

- **GOAL NO. 1 - CRIME PREVENTION PROGRAM:** To implement a Crime Prevention Program in 2013 specifically targeting crimes against the elderly and the business community.
 - **OBJECTIVE 1** – Conduct quarterly security meetings with Orland Square retail merchants and increase attendance by 20%.
 - **PURPOSE** – To provide critical information on current crime patterns affecting the business community.
 - **OBJECTIVE 2** - In March and November 2013, conduct two business security forums to be held at the Orland Park Police Department. One forum will be conducted for the banking institutions and the other for non-retail businesses.
 - **PURPOSE** – To provide relevant and updated security, safety training, as well as information sharing.
 - **OBJECTIVE 3** - In April, August and November 2013 conduct senior citizen safety presentations for Orland Park residents. Increase attendance by 15%.
 - **PURPOSE** – To provide information on crime trends that target senior citizens and provide strategies on how they can protect themselves.
 - **PURPOSE** - To broaden the understanding between the citizens and the police department in relations to the departments operations and functions.
 - **OBJECTIVE 4**- In May 2013 Conduct “DARE BOOSTER” presentations to Orland Park Junior High students.
 - **PURPOSE** – This three-session program would address issues that we are seeing within the community, Heroin abuse, Prescription Drug abuse, and Social Media behavior.
- **GOAL NO. 2 – COMMUNITY RELATIONS PROGRAM:** To enhance the departments’ partnership with the community.
 - **OBJECTIVE 1** – Update and increase participation in Global Connect Emergency Notification System and social networking sites by 10% before the 3rd quarter.
 - **PURPOSE** – To provide updated information on crime trends and community safety alerts.
 - **OBJECTIVE 2** – Coordinate Staff to enhance website by the 3RD Quarter.

- **PURPOSE** - To select an employee and provide him/her with the necessary training and information needed to develop and implement this project.
- **OBJECTIVE 3** - Conduct the August 2013 National Night Out Against Crime Event in Orland Park, with the theme of “Building a Safer Community” to support the initiative.
 - **PURPOSE** - To use this Village wide event with a large attendance and media coverage to enlist resident support for the project.
- **OBJECTIVE 4** - Beginning in April of 2013, reach out to residents through neighborhood beat meetings and Trailers in the Park events.
 - **PURPOSE** - Using established and successful events and contacts to enhance involvement in the program and aid in crime prevention.
- **GOAL 3 - Conduct the Citizen’s Police Academy** for residents of the Village of Orland Park at the Police Department Headquarters. Select a date and develop a schedule for the event and reserve the facilities needed in January of 2013.
 - **OBJECTIVE 1** - Assign a supervisor to develop a class syllabus and select instructors for the sessions. Instructors will develop their respective presentations and submit them to the event supervisor for approval by August 1, 2013.
 - **PURPOSE** - To develop and review the necessary personnel and program content materials. Solidify the necessary time frame for implementation and provide the firm dates to the community for interested residents.
 - **OBJECTIVE 2**- Initiate a public information campaign to inform the community about the program through media releases, Village Public Information Sources, and other community resources and organizations beginning in May of 2013 and continuing until the beginning of the event.
 - **PURPOSE** - To inform and recruit residents to develop a citizen attendance base for the program.
 - **OBJECTIVE 3**- Conduct and complete the program, ending with a graduation presentation with media coverage prior to November 15 of 2013.
 - **PURPOSE**- To broaden the understanding between the citizens and the police department in relation to the departments operations and functions.

**Village of Orland Park
Police Department - ESDA**

MISSION

The mission of the Orland Park Police Department is to enhance the quality of life for the people and families within our community by providing professional, high quality and effective police service in partnership with the people. We, the members of the Orland Park Police Department believe that our work has a vital impact on the quality of life in our community.

- **GOAL NO. 1 – Plan and Prepare for the Relocation of the Back-up Radio Facility to 14600 Ravinia Building (Old Police HQ):** In order to provide for redundancy in the services of the Communications Center a “back-up” Communications Facility is required. The current back-up located at “the Old Village Hall” Building is to be relocated to the facility at 14600 Ravinia. The equipment in the current back-up is old and outdated and is out of service since mandated re-banding requirements were instituted.
- **OBJECTIVE 1** - Select a radio consultant and an architectural firm to provide for the expertise that will be required to convert the available space in the old police HQ to a back-up for the Communications Center in the first Quarter of FY 2013.
 - **PURPOSE** – This project is highly technical in nature and will require involvement of special expertise. As this facility will be a critical part of the Village Emergency Response Plan it is critically important to ensure that the technology and equipment installed is functioning efficiently when required.
 - **OBJECTIVE 2** – Inventory and examine certain equipment that was left when Police Headquarters and the Communications Center was moved to the new building at 15100 Ravinia. Determine the compatibility and utility of this previously used equipment to the new back-up facility plan. Complete this Objective in the First Quarter of FY 2013.
 - **PURPOSE** – Certain furniture and equipment from the previous Communications Center was set aside and stored when Police Headquarters was relocated. It will be important to review this equipment and determine what pieces may be reused in an effort to reduce the cost of the project.
 - **OBJECTIVE 3** – Inspect the space that is intended to house the Back-up Communications Facility for readiness. Make arrangements for any renovations or mitigation work that may be necessary to ensure these issues are included in cost projections and planning. Complete these efforts by the second Quarter of FY 2013.
 - **PURPOSE** - It will be important to inspect the space that the communications facility will be set-up in. Renovation and mitigation work could be costly and should be known early in the planning phase of this project to provide for a realistic budget for the project.
 - **OBJECTIVE 4** – Work with the selected consultants to develop architectural and scope of work documents that may be used for Request for Proposal or competitive bidding process in FY 2014. Complete this work in the final Quarter of FY 2013.
 - **PURPOSE** – These efforts will put the project in a good position to put the work put for competitive bidding early in FY 2013 should the project be included in the FY 2013 Budget.

- **GOAL NO. 2 – Inspection of the Village Emergency Siren Network:** The ESDA Department is responsible for the performance and maintenance of the Village’s Emergency Notification Siren Network. In an effort to ensure that this equipment is functioning as designed the system and all of its components is inspected annually in the spring to prepare for natural weather emergency conditions that may arise.
 - **OBJECTIVE 1** - Arrange for the FY 2013 Service Agreement with the selected vendor and schedule inspections of all equipment and components of the system in the first Quarter of FY 2013.
 - **PURPOSE** - This system inspection is critical to ensure that emergency notification sirens are working for the tornado season of each year. This inspection will prepare the Department to sound the warning sirens at the appropriate time in accordance with Department Policy.
 - **OBJECTIVE 2** – Review the vendor report from the inspection and schedule any repairs or modifications that are determined to be necessary.
 - **PURPOSE** – Once the vendor report is reviewed staff will need to make arrangement for any work that may be necessary to complete the preparation process for the system readiness.
 - **OBJECTIVE 3** – Review Siren Activation Policy and Procedure with key ESDA and Police Department Staff in preparation for the spring season.
 - **PURPOSE** - The timely and appropriate activation of this siren system is critical to the reliability of the advance warning system.
- **GOAL NO. 3 – STAFF RECRUITMENT AND DEVELOPMENT:** The ESDA Staff is composed primarily of volunteers who respond to calls for assistance and support for special events and weather and man-made emergencies. These volunteers assist in traffic and crowd control and other assignments related to the mitigation of a disaster or weather emergency. Recruitment of volunteers has proven difficult in recent years. Training and development is challenging due to turn-over and changes in assignments.
 - **OBJECTIVE 1 – RECRUITMENT:** Staff will work to reach out to the community during the first half of FY 2013 to attempt to recruit additional volunteers to staff ESDA. We will attempt to increase ESDA staffing by 10% in the first half of FY 2013.
 - **PURPOSE** - As ESDA is staff almost entirely from volunteers recruitment is critical to the mission. Without adequate staffing it is difficult to respond to calls for assistance and support.
 - **OBJECTIVE 2** - Conduct Staff Training and Development initiatives throughout FY 2013. Volunteers must be trained in basic traffic and crowd control techniques as well as appropriate policy and procedures.

Motor Vehicle Theft	16	(1)	15	
Arson	3	(3)	0	
Crime Index	1,376	-2.38%	1,344	-2.38%

Index crimes consists of eight crimes the FBI combines to produce its annual crime index. These offenses include homicide, forcible rape (criminal sexual assault), robbery, burglary, aggravated assault / battery, theft, motor vehicle theft, and arson.

In order to compare statistical information on a national basis a common definition for crime comparison was needed. This was accomplished through defining serious and non-serious offenses. Part I crimes are comprised of serious felonies and Part II crimes are comprised of non-serious felonies and misdemeanors. Together, these two types of classifications make up the crimes reported in the Uniform Crime Report (UCR).

Crime Index Offense Analysis (2008 - 2013)

Index Crime Offenses:	2008	2009	2010	2011	2012	2013	Total
Against Person:	39	41	24	18	16	17	310
Criminal Homicide	0	2	1	0	1	0	4
Criminal Sexual Assault	3	4	2	4	1	5	19
Robbery	12	8	7	3	4	3	37
Aggravated Assault / Battery	24	27	14	11	10	9	95

* In each of the reported incidents, the victim knew the offender (family/dating).

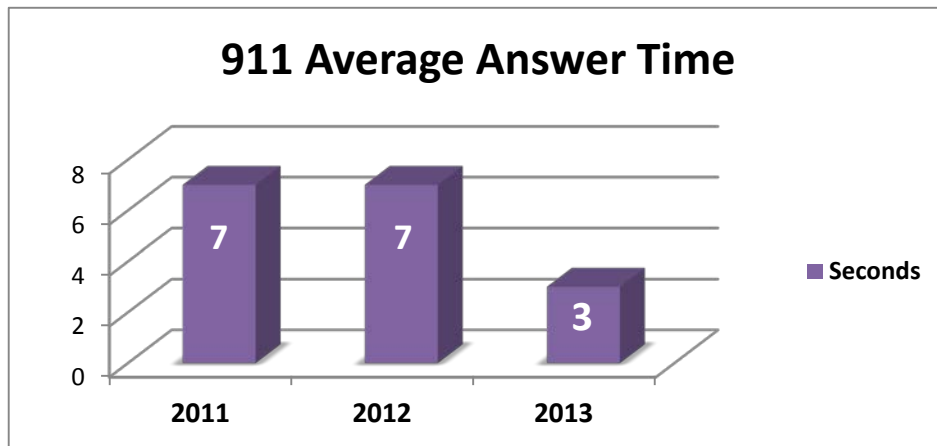

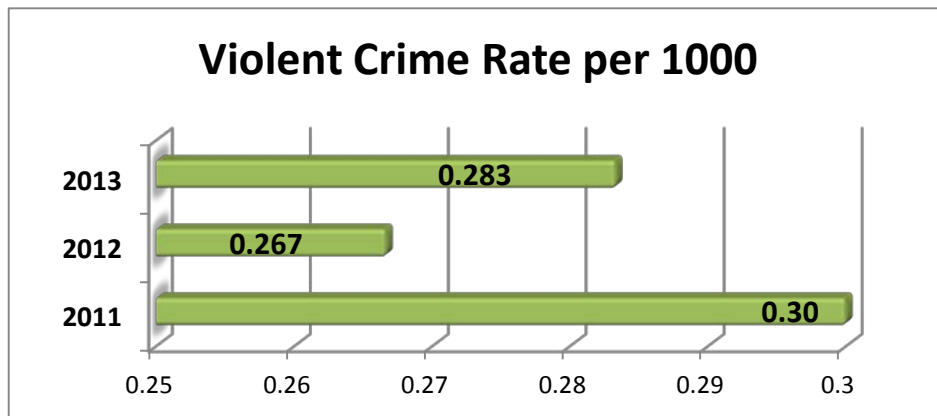

Crime Index Offense Analysis (2008 - 2013) Cnt'd

Index Crime Offenses:	2008	2009	2010	2011	2012	2013	Total
Against Property:	1,430	1,330	1,161	1,612	1,360	1327	6,893
Burglary	75	62	38	46	43	66	264

Performance Measures

Retail Thefts

Retail Theft By Day

Retail Theft By Time

Retail Theft By Month

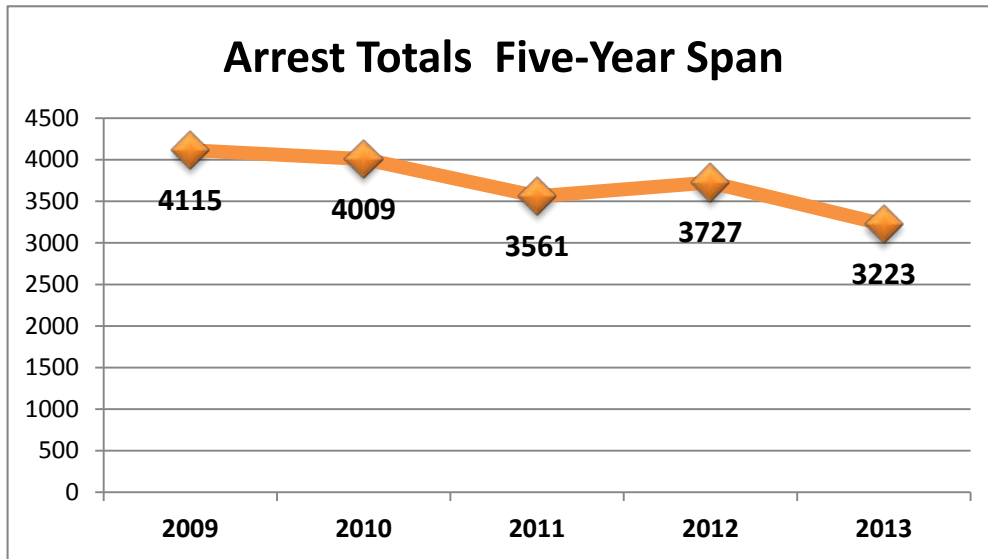

In 2013, the Orland Park Police Department experienced the highest concentration of reported retail thefts on Fridays between the hours of 12:00 pm and 8:00 pm, with the most retail theft calls occurring at 6:00 pm. Compared to 2012, there were 13.2 % less reported retail theft crimes.

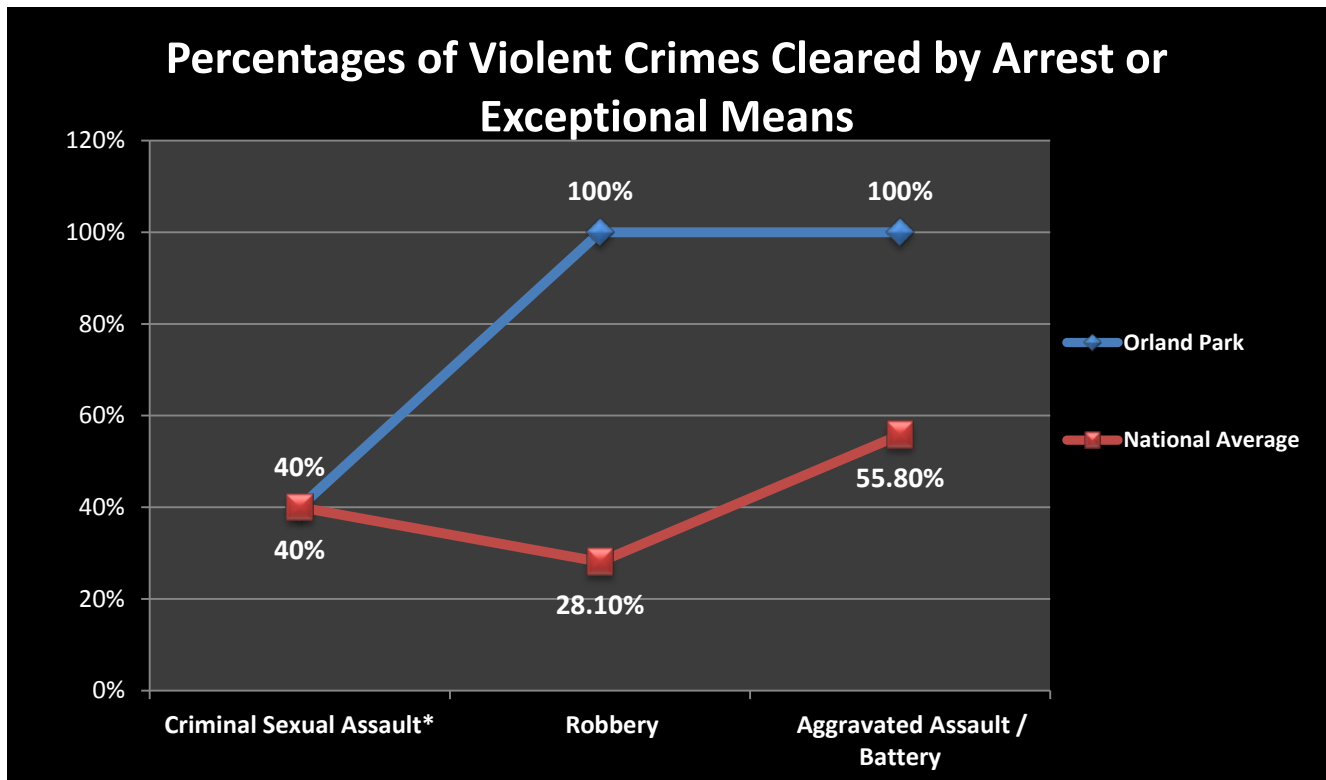

Retail Thefts - 4 Year Span

Arrest History and Analysis

The Orland Park Police Department obtained or surpassed the national average on clearance rates for all violent crimes categories in 2013 (no murders occurred – national clearance rate is 62.5%). The national average clearance figures are from the latest data provided by the Federal Bureau of Investigation’s Uniform Crime Report (<http://www.fbi.gov/about-us/cjis/ucr/crime-in-the-u.s/2012/crime-in-the-u.s.-2012/offenses-known-to-law-enforcement/clearances>).

* Victims in two of the Criminal Sexual Assaults refused to prosecute. No charges approved by an Assistant United States Attorney on the third case - delayed reporting from 2003.

	2012	Δ	2013	Pct.
Drug Crime Arrests:				
Violations of Cannabis Control Act	349	(48)	301	-15.94%
Violations of Controlled Substances Act	49	(2)	47	-4.25%
Violations of the Hypodermic Syringes & Needles Act	3	3	6	50.00%
Violations of the Drug Paraphernalia Act	242	(48)	194	- 24.74%
Violations of the Methamphetamine Act	0	0	0	0.00%
Drug Crime Arrests	643	17.34%	548	-17.34%

Fifty-four of the drug arrests made in 2013 were for a felony amount of cannabis and/or a controlled substance (i.e. unauthorized possession or sale prescribed medication, cocaine, ecstasy, heroin, etc.)

2013 Lock-Up Population

The lock-up population is defined as the number of prisoners (juvenile/adult) *housed* in cells at the Orland Park Police Department awaiting transfer to court, another police department or for bond.

Adult Lock-Up 2012-2013

	Jan/Feb/Mar	Apr/May/Jun	Jul/Aug/Sep	Oct/Nov/Dec
Male	101	98	83	70
Female	54	45	33	21
Males	129	123	140	98
Females	35	50	58	70

Juvenile Lock-Up 2012-2013

	Jan/Feb/Mar	Apr/May/Jun	Jul/Aug/Sep	Oct/Nov/Dec
2013 Male	2	4	5	11
2012 Male	7	5	13	3
2013 Female	1	0	1	3
2012 Female	4	0	1	3

Calls for Service

	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC	Total
Calls for Service	13,956	12,765	13,455	13,143	13,218	12,729	12,857	13,760	13,690	13,950	12,620	12,812	158,955

The Orland Park Police Department experienced the highest call volume during the month of January. Additionally, Tuesdays and Fridays were identified as the two busiest days for the department throughout 2013.

As evidenced above, the highest number of calls for service throughout 2013 occurred during the afternoon shift, with the most calls between 3:00 and 4:00 pm.

The Orland Park Police Department responded to 301 “top priority” calls. A “top priority” call is defined as an emergency response to an immediate threat to life, imminent critical danger and/or the possibility of major property loss.

In 2013, the Orland Park Police Department initiated 71,191 contacts including all traffic, person or pedestrian stops.

Use of Force Incidents Five-Year Review

Use of Force	2013	2012	2011	2010	2009
Baton	0	0	0	0	0
Less lethal / Bean Bag	0	0	0	0	0
O.C. Spray	0	0	0	1	0
Taser	6	6	6	6	4
Hand Strike-Grab-Push	37	28	24	20	13
Use of Deadly Force	0	0	0	0	0
Weapon Discharge*	3	11	6	7	14
Accidental	0	0	0	0	0
Destruction of Animal	3	11	6	7	14
Warning Shots / Prohibited	0	0	0	0	0
Canine Deployment w/ Bite	1	0	0	0	0
Total Custodial Arrests	3223	3727	3561	4009	4115

* As evidenced above, the discharging of a weapon only occurred when putting down an injured and suffering animal.

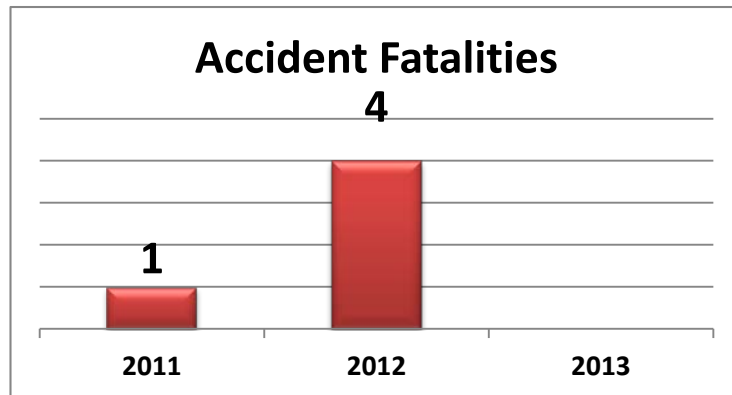

Use of Force Incidents - Five Years

Although the number of custodial arrests had dropped 13.5 % from 2012 to 2013, the number of offenders resisting an arrest increased by 24.3 % during the same period. Over a five-year span, offenders charged with physically resisting an officer's arrest had risen by 64.9% while the deployment of the O.C. spray, Taser and less lethal weapons remained relatively unchanged.

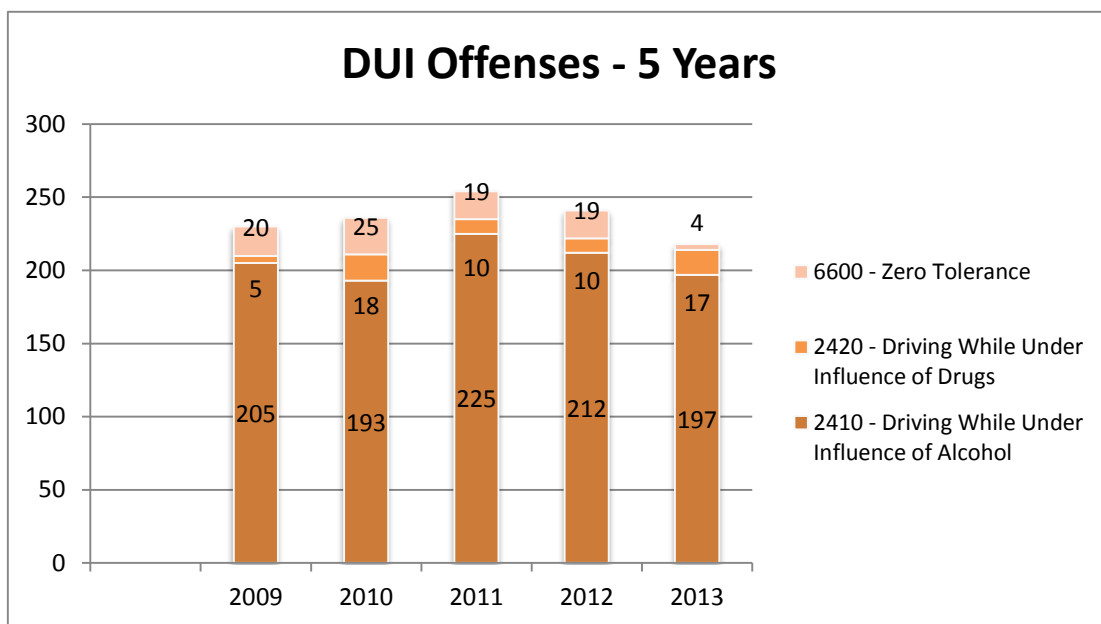

Traffic Accidents

In 2013, the Orland Park Police Department investigated 1,831 motor vehicle crashes, a 16% increase from 2012. Additionally, the department saw an 18% increase in the number of reported crashes involving injuries. In 2012, two crashes resulted in four fatalities. The department had no fatal accidents in 2013.

Five Year DUI Offense Review (2008 - 2013)

DUI Offense	2009	2010	2011	2012	2013	5 Year Total	5 Year Average	Violation Percent
2410 - Driving While Under Influence of Alcohol	205	193	225	212	197	1,032	206.4	87.53%
2420 - Driving While Under Influence of Drugs	5	18	10	10	17	60	12	5.01%
6600 - Zero Tolerance	20	25	19	19	4	87	17.4	7.37%
Yearly Total	230	236	254	241	218	1,179	235.8	100%

Domestic Incidents

2013	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC
Domestic Battery Arrest	3	8	7	0	5	8	6	7	6	3	5	6
Domestic Trouble	41	28	36	51	48	54	51	55	46	44	38	34
Violation of Order Protection	1	2	0	0	0	2	0	3	5	0	0	6

The highest concentration of domestic related calls for service for the last three years (2011-2013) occurred consistently during the months of June, July and August. The month with the least number of domestic related calls for the last three years was November.

Mental Health

In January of 2013, the Orland Park Police Department collaborated with the Cook County State's Attorneys Office and the National Alliance on Mental Illness (N.A.M.I.) to provide additional comprehensive training on proper procedures when interacting with persons suffering from mental illness. This training, provided to all sworn members, was in part due to the shutdown of the Tinley Park Mental Health Center (July 2012), a 30% decrease in state funding for mental health services over a three year period (Southtown Star 01/28/2013), and the substantial rise in the calls for service involving people in mental crisis in 2012.

As evidenced below, the Orland Park Police Department has experienced over a 3500% increase in involuntary committals from 2011-2013.

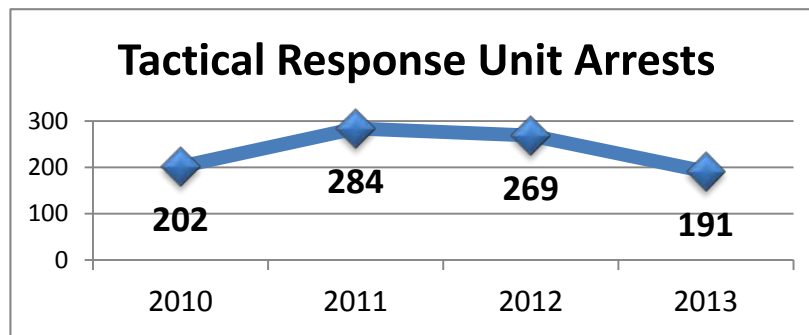

* A peace officer may take a person into custody and transport him to a mental health facility when the peace officer has reasonable grounds to believe that the person is subject to involuntary admission on an inpatient basis and in need of immediate hospitalization to protect such person or others from physical harm.

Orland Park Police Investigations Division Activities

In 2013, the Orland Park Police Investigations Division had the most cases assigned in the last five years. The number of cases assigned in 2013 is a 63.5 % increase from 2009.

In 2013, the Tactical Response Unit seized thirteen (13) firearms, six (6) vehicles, \$11,111.00 in cash, seven hundred and twenty-nine (729) illicit pills (pain killers and ecstasy) executed one (1) search warrant and recovered merchandise totaling in excess of \$15,200.00.

*A contact involves the issuance of a municipal violation citation, a diversion to an alternative court program or a release to parent/guardian situation (curfew, runaway, etc.)

Task Force Overviews 2013

The mission of the South Suburban Major Crimes Task Force (SSMCTF) is to provide comprehensive investigative services to all participating member agencies. These services include, but are not limited to, major drug related violent crimes including homicides, non-parental kidnappings, and other exceptionally heinous crimes when requested to do so by the Police Chief of the member agency with the approval of the Board of Directors. A nine member Board of Directors manages the SSMCTF. The Chairman is Chief Timothy J. McCarthy. The task force is divided into an East and West Division and coordinated by the Illinois State Police and Cook County Sheriff's Department respectfully. The task force is made up of 150 investigators from 58 South and Southwest suburban communities with a population of approximately 990, 000.

In 2013, the task force responded to 36 total call outs, which included 30 homicides, 1 attempt murder, 1 aggravated battery, 1 accidental death, and 3 death investigations that turned out to be suicides or other causes of death. Clearance rate by arrest or warrant issued were 70% with several cases still under active investigation.

Twenty-nine call outs in the east division and seven call outs in the west division. Orland Park is in the west division (South Team) and responded to three of the call outs in the West Division. The task force had a 100% attendance to the call outs.

The South Suburban Emergency Response Team (SSERT) is a multi-jurisdictional emergency response team comprised of thirty-four police departments in the south suburbs of Chicago. The team is responsible for the protection of approximately 600,000 residents in an area that is over 150 square miles.

The response team is designed to provide member agencies with a tactical response to Critical Incidents. Critical Incidents are defined as, but not limited to Armed/Suicidal Subject's, Barricaded Subject's, Hostage Situations, Sniper Situations, High-Risk Apprehension, High-Risk Warrant Service, Dignitary Protection, Civil Disturbances, Disaster Assistance, Terrorist Incidents, and Special Assignments. Currently, the Orland Park Police Department has two full-time sworn officers assigned to the specialized unit part-time.

In 2013, the Orland Park Officers responded to 52 call outs. Of the 52 call outs, 8 were for emergencies such as hostage or barricaded subjects and the rest (43) were for the execution of high risk search warrants. In 2013, the Orland Park Police Department requested the services of SSERT for a barricaded gunman.

The ILEAS Mobile Field Force (MFF) was created to provide rapid, organized, and disciplined response to civil disorder, crowd control or other tactical situations involving the distribution of pharmaceuticals from the National Strategic Stockpile, weapons of mass destruction incidents as well as other more conventional events. The Orland Park Police Department also has two full-time sworn officers assigned to the specialized unit part-time. In 2013, both officers obtained a combined total of 130 hours of training and responded to a combined six call outs.

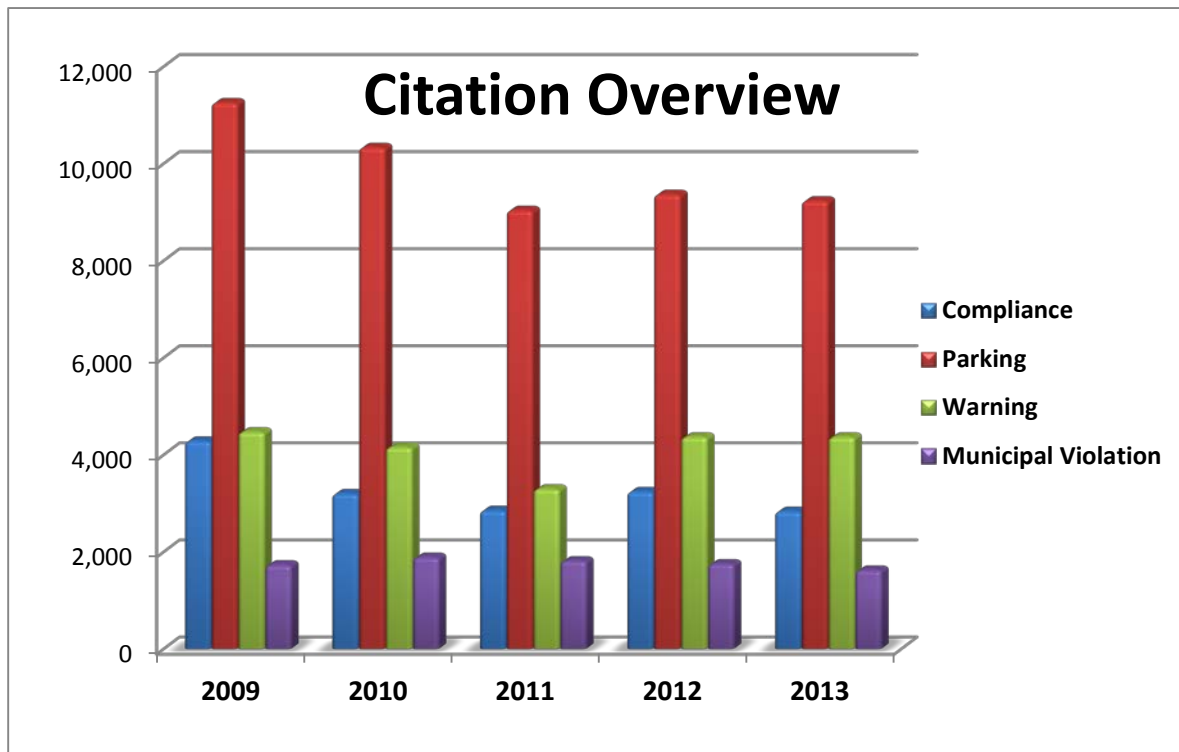

The Orland Park Police Department has one investigator assigned to the F.B.I.'s Safe Streets Task Force. In 2013, Investigator Kelly made 12 arrests, executed 10 search warrants, recovered six firearms including an assault weapon, recovered 3 kilograms of cocaine, 2.5 kilograms of heroin, 2,500 lbs of marijuana and seized 1.6 million dollars.

The Orland Park Police Department created, equipped and trained a thirty-five member team to respond to crowd control situations in the year of 2012 in light of the NATO Summit. The training continued in May of 2013 and consisted of several newly assigned officers.

Five-Year Citation Analysis (2009 – 2013)

Citation Type	2009	2010	2011	2012	2013	Total
Compliance	4,287	3,204	2,858	3,246	2,838	16,433
Parking	11,260	10,337	9,041	9,369	9,237	49,244
Warning	4,477	4,160	3,301	4,371	4,371	20,680
Sub-Total	20,024	17,701	15,200	16,986	16,446	86,357

Municipal Violation	1,736	1,893	1,819	1,759	1,628	8,835
Total	21,760	19,594	17,019	18,745	18,074	95,192

As evidenced in the above graph, parking tickets are the prevailing means to address violations in the village in the last five years. In fact, parking tickets exceeded all other types of citations written combined.

The department utilizes municipal violation tickets as a more effective and efficient means to address minor crimes. Municipal violation tickets are an alternative to a formal custodial arrest, which includes charging, fingerprinting, bonding and a mandatory court appearance. Additionally, through the Municipal Violations Hearing Officer, the offender may be ordered to participate in a specialized program that can be more tailored to address his particular deficiencies/needs and thus reduce recidivism.

Total	2,334	2,292	2,110	2,202	2,130	8,938

Citizen Complaints (2009 - 2013)

	2009	2010	2011	2012	2013*	5 Year Total
Demeanor	7	19	12	4	18	59
Policy Violation	7	6	9	9	16	33
Other	15	7	0	6	4	41
Sustained	6	8	5	2	11	32
Service Calls	225,872**	207,637**	154,762	172,134	158,955	482,864*

* In 2013, the number of complaint categories (38) is greater than the number of actual complaints (35) because in certain situations, the complainant had alleged more than one violation.

** New World System was implemented on 10/18/2010. The way calls for service were identified has changed (i.e. personal or lunch breaks were no longer classified as calls for service).

As evidenced below in the Citizen Complaints Dispositions, 24.5 % of all complaints against members of the Orland Park Police Department were sustained over the last five years. 56.5% of the sustained complaints were the result of a policy violation. No racial profiling and excessive use of force complaints were sustained from 2009-2013.

In 2013, the Orland Park Police Department received thirty-five (35) citizen complaints. Fifty-one percent of the complaints were regarding the officers' demeanor or attitude. Forty-eight percent of the complaints alleged a failure to follow policy and / or procedure. Eleven of the complaints were sustained. Six of the sustained complaints were for demeanor/attitude and five for policy violations.

* The number of complaint categories (38) is greater than the number of complaints (35) because in certain situations, the complainant had alleged more than one violation.

The Orland Park Police Department responded to 158,955 calls for service in 2013 and sustained 11 complaints. This computes to one sustained complaint for every 14, 505 citizen contacts.

Awards and Commendations 2013

Although not commonly known, awards and commendations are an important component of the internal review process. On November 21, 2013, the Orland Park Police Department held its Annual Awards Ceremony at Carl Sandburg High School.

Officer of the Year

Charles Barth

Civilian of the Year

Nora Browne

Life Saving Award

Officer Piatanesi

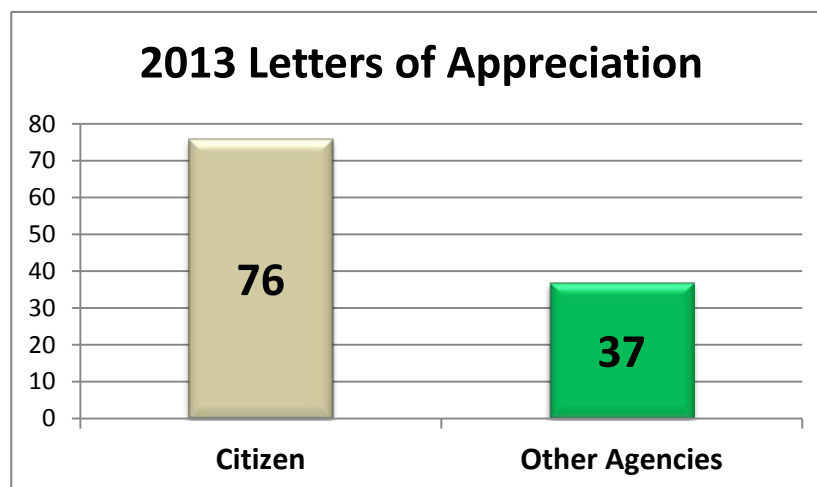

Exceptional Service Award

Officer Toosley	Sergeant Hottinger	TCO Kirkland	Sergeant Pratl
Officer Dangles	Officer Berthold	TCO Labno	Officer Dargan

		Officer Sanchez	
		Investigator Lee	
		Investigator Rossi	

Alliance Against Intoxicated Motorist Award

Officer Ahrendt, Officer Eppolito, Officer Fitzgibbon and Officer Martyn

In 2013, the Orland Park Police Department received numerous letters of appreciation from citizens and from entities in both the public (federal, state and local) and private sector. The graph below illustrates the number of officers and civilian employees recognized for outstanding performance and dedication to the public.

Retail Security Measures

In 2013, the Orland Park Police Department devoted additional resources to deterring, investigating and arresting offenders for retail theft. The initiative consisted of increased patrols, undercover operations, and foot patrols at local retail establishments. During the busy holiday shopping season, there were an additional 144-officer assignments concentrating in particular at the Orland Square Mall. In month of December alone, the department made 38 arrests for retail theft and only had one reported burglary to motor vehicle. Orland Square Mall Security compiled the following holiday shopping data:

- ✓ Customer traffic has increased with average store sales reported an increase of 22% for the month of December.
- ✓ Holiday season behavioral incidents were down 83%. Security issues with youth incidents and code of conduct violations decreased with added police presence during holiday season.
- ✓ Faster police response to calls for service within the mall,
- ✓ There were no major criminal incidents at Orland Square Mall during the 2013 holiday season (while other malls in Chicagoland area have experienced some),
- ✓ Crimes against property was down 100% at the Orland Square Mall vs the 2012 holiday season, and
- ✓ Loss Prevention (LP) agents have reported that shoplifting incidents decreased when police presence was visible and when incidents did occur, police response time made the issues easier and safer for the LP to deal with.

Traffic Stops 3-Year Overview

Lost Employee Work Time

In 2012, the Orland Park Police Department had lost 13, 375.5 hours of productivity, the equivalent of 6.4 full time sworn officers (2080 hours per year), to some form of leave, an open vacancy or required training before becoming an independent sworn member of the agency.

Lost sworn hours for 2013 were calculated at 16, 588.75, the equivalent of 7.9 full time officers (2080 hours per year). This equates to a 19.3 % increase over 2012. Support Services saw a 35.6% increase in lost hours when compared to 2012. The graphs below illustrate the categories and the number of lost hours for sworn and civilian staff.

School Security

The Orland Park Police Department enjoys a strong partnership, dedicated to school safety, with all of the schools located within the Village of Orland Park. This partnership includes ten schools in District 135, Carl Sandburg High School, Saint Michael School, Kruse Education Center, and Fernway Park School along with various colleges/universities, pre-schools, and day care centers.

The department has three dedicated School Resource Officers (SROs) that meet regularly with school officials to share safety-related information.

In 2013, the department participated in fifteen lock down drills at the local schools. After each drill, the department command staff, school officials, and SROs meet and evaluated the drill. Patrol officers also participate in the drills and periodically tour the schools within their designated beat.

Annually, the department also holds "School Safety" meetings with each school.

The department has conducted Rapid Deployment training (critical incident response) for more than ten years. This training includes the use of an actual school, or other such venue, as a training site. School officials are included in this training in an effort to understand each partner's role and to improve safety procedures.

To aid in obtaining vital information during a critical incident, the department obtained the VIPER System. VIPER consists of maps pictures of entrances and other vital areas in all of the schools and contact information for all school officials in Orland Park. This computerized system is updated semi-annually and accessible by all officers.

In 2013, the Orland Park Police Department held numerous live training exercises with all sworn members and volunteers at the Orland Square Mall and with school officials at several schools within the village.

Crime Free Rental Housing Program

On January 19, 2009, the Village of Orland Park passed a new ordinance implementing a Crime Free Rental Housing Program for the Village of Orland Park. The purpose of this ordinance is to provide minimum standards for residential rental housing for the protection of the life, health, welfare, and property of rental residential owners and tenants, as well as that of the public. Inspections will facilitate the enforcement of minimum standards.

Laws regarding rental properties and eviction proceedings can be complicated. Most small property owners operate their rental unit as an investment and may not have the background, information, or experience that would assist them in preventing or dealing with problems on their property. The "Crime Free Rental Housing Program" can help you be prepared to prevent problems or be ready to quickly and effectively deal with problems should they occur.

The Crime Free Rental Housing Program is a, state-of-the-art, crime prevention program designed to reduce crime, drugs, and gangs on rental properties. This program was successfully developed at the Mesa Arizona Police Department in 1992.

The program consists of three phases that are completed under the supervision of the department. Property managers can be certified after completing training in each phase and the property becomes certified upon successful completion of all three phases.

The anticipated benefits are reduced police calls for service, a more stable resident base, and reduced exposure to civil liability.

Crime Free Housing	Registered Properties	Calls for Service	Generated Reports	Arrests
2011	662	623	553	104
2012	668	444	304	43
2013	757	565	373	46

Department Accomplishments/Community Service

The Illinois Law Enforcement Alarm System's (ILEAS) Agency Preparedness Program prepares law enforcement agencies to respond effectively to disasters and to utilize available resources and expertise through the mutual aid cooperation to manage and mitigate those situations efficiently. The Agency Preparedness Program requires proof of policies and the successful demonstration of best practices as promulgated by both the Federal Emergency Management Agency (FEMA) and Illinois Emergency Management Agency (IEMA).

On February 26, 2013, the Orland Park Police Department, after successfully completing the rigorous assessment, became one of the first municipal police departments to be bestowed with the Illinois Law Enforcement Alarm System's Agency Preparedness Award. Michael Damico, ILEAS Regional Planning Coordinator Representative, presented the award to Mayor Dan McLaughlin and the Village Board in April 2013

The Orland Park Police Department participated in the bi-annual Drug Enforcement Administration's National Prescription Take-Back Initiative. According to the 2010 National Survey on Drug Use and Health, "Americans currently abuse prescription drugs more than the number of those using cocaine, hallucinogens, heroin, and inhalants combined." In a published article on January 13, 2012, the Centers for Disease Control and Prevention had identified prescription drug abuse as the fastest growing drug problem in the United States. In 2013, the Orland Park Police Department collected over a thousand pounds of prescription medication from area residents for proper destruction. Since enrolling in the program in 2012, the Orland Park Police Department has collected over a ton (2,170 lbs.) of unwanted, not used or discarded prescription medications.

Citizen's Police Academy

The Orland Park Police Department held its first Citizen's Police Academy class in the fall of 2008 when 25 enthusiastic citizens met for the first night. Since the inception of the academy, approximately 300 citizens have participated in the successful program.

Classes offered include:

*Laws of Arrest *Crime Scene Analysis *K-9 *Traffic Stops *Firearms * Traffic Unit
* Internet Investigations *DARE *Community Orientated Policing Program (COPP)

Program Description

The Citizen's Police Academy is a 12-week program designed to give citizens a working knowledge of law enforcement. The program is offered free of charge and is limited to 25 students per session and is offered free of cost. The participants receive one block of instruction each week. Each block of instruction provides an in-depth view of how a particular division of the department functions. The program is both informative and educational, allowing students an opportunity to experience actual hands-on training.

Goals

One of the major goals of the department is to not only provide the best possible service to the citizens of Orland Park, but to also show how committed we are in our effort to serve the community. We continually look for new ideas that will take us out into the community and provide an opportunity to not only meet the citizens, but also leave them with a positive impression.

Benefits

The Citizen's Police Academy provides an excellent opportunity for the citizens who live and work in the Village of Orland Park to become acquainted with how the department operates on a day-to-day basis. At the completion of the academy, the participants will have a better understanding of personnel issues, procedures, responsibilities, demands, equipment, and the laws that influence the department's decisions.

The Citizen's Police Academy provides the opportunity to build a strong partnership between the Orland Park Police Department and the citizens of Orland Park. Through this partnership, the needs of the community can be identified while the citizens obtain a greater understanding of their department.

On 8/7/13, the Orland Park Police Department participated in our fifteenth year in the National Night Out Against Crime program hosting a Seniors Citizen Luncheon and Seminar on Crime Prevention in the afternoon. Our evening event at the civic center again drew hundreds of residents who participated in numerous events emphasizing crime prevention. There were also many activities and events for children and parents. On 1/8/13, the department received the National Award from the National Town Watch Association for our “Night Out” activities.

Noteworthy 2013 Investigations

Aggravated Home Repair Fraud

The Orland Park Police arrested a man for Aggravated Home Repair Fraud on 10/08/2013. The suspect, Ricky Zito, was soliciting to do cement repair work at a residence in the 14300 block of Raney Ln. The 76 years of age homeowner became suspicious of the subject; recalling a number of Community Alerts and Global Connects, (telephone alerts), that the Village had sent out recently on Ruse Burglaries and Repair Scams. The resident played along with the scenario believing he was in fear of being harmed and was in the process of being scammed. Zito was persistent about the price on the repair work; the victim gave him a small amount of cash for the work done just to get him to leave. (The offender had spread a sand mixture on a crack in the concrete.) The victim called the police when Zito left the home and gave a description of Zito's vehicle, a tan GMC Envoy.

Orland Park Police arrested Ricky Zito while he was driving in Hickory Hills. He was transported back to the station where he admitted to putting sand in the crack.

He was also identified in a similar Home Repair Fraud that occurred earlier in the day in the 15300 block of Thistlewood Orland Park. The homeowner a 47 year female was approached by Zito who stated he did work at the residence previously and negotiated a price to repair concrete cracks. The cracks were filled with a wet sand mixture. Zito admitted to this repair fraud also.

Arrested and Charged:

Ricky Zito, 43 years of age
3647 S. Harlem
Berwyn, IL

1-count Aggravated Home Repair Fraud
(victim 60 years of age or older) Class 3 Felony

1-count Home Repair Fraud, Class A misdemeanor

Zito was taken to bond hearing at the Bridgeview courthouse on 10/09/2013 at 9:00am where Judge Kennedy set bond at:

\$3,000,000.00- Aggravated Home Repair Fraud charge

\$50,000.00- Home Repair Fraud charge

\$50,000.00- Bail Bond Violation

Ruse Burglary Arrest

On October 28, 2013, at approximately 3:00pm, the Orland Park Police responded to a residential burglary in the 8900 block of Briarwood. A larger male white approached the homeowner who was in his backyard stating he was “from the county” and they were going to “clean up the ditch” behind his residence. The offender asked the homeowner to follow him to the back of his property. A few minutes later, the homeowner’s wife yelled to him from the back door that there were two strange men in the house. He told his wife to call the police. The offender in the backyard fled to the front of the residence.

The wife said that she had been sleeping in an upper level bedroom when she was awakened by someone saying “Hello” numerous times. She got up and saw a male white exiting the master bedroom. She yelled at him to get out of her house, he went down the stairs with her following when she saw another male white. Both fled from the house and got into a gray van. The homeowners did an inventory and determined that they were not missing any property.

The Orland Park Police working in conjunction with the Illinois State Police Ruse Burglary Task Force and the Palos Park Police Department were able to identify offenders in both the Orland Park and a Palos Park case.

On November 13th, 2013, six individuals were taken into custody by the ISP Task Force. One of the six, Stanley Miller, was identified in a physical line-up on November 14th, 2013, as the offender in the Orland Park residential burglary.

Stanley Miller was charged with one count of Residential Burglary, (Class 1 felony). He was brought to the Bridgeview courthouse where Judge Kennedy set bond at \$25,000.00 with a return date of 12/11/2013.

Home Invasion

On May 10, 2013 at approximately 2:50 am Orland Park Police responded to a 911 call reporting a shooting in the 10900 block of Antelope Lane Orland Park, Illinois. Responding officers located a 30-year-old male victim who had been shot. The victim was transported to Silver Cross Hospital in New Lenox by Mokena Fire Protection District Ambulance .The victim's injuries were non-life threatening.

Preliminary information obtained was that two offenders forced entry into the home on Antelope Lane and shot the victim and stole items from the home. The two offenders that entered the home are described as males with dark complexion both wearing dark clothing, 30 years of age and armed with handguns. The driver of the suspect vehicle is described as male Hispanic 30 years of age. The three suspects fled the scene in a southbound direction from the home and then eastbound on I-80.

On May 10, 2013 at approximately 8:00pm, and acting on a Orland Park Police Department lead, members of the Lake County Indiana Sheriff's Department Gang Unit were searching for Home Invasion suspect Anthony M. Espinoza at an address in the 700 block of Liberty in East Chicago, Indiana. When gang unit officers approached the residence, they heard a single gunshot from inside the home. Gang officers took cover at which time an occupant of the residence opened the front door telling the officers that a male subject inside the home had just shot himself in the head. The subject was pronounced dead at the scene and has been identified as Anthony M. Espinoza.

On May 13, 2013, a 5 million dollar arrest warrant was issued for Warren Hunter. In early January of 2014, Warren Hunter and Brad Kemp were captured and are currently in Cook County Jail awaiting trial.
