To: Building Department
From: Martin Ince, Economic/Land Development Planner MA
Subject: Fence repair/replacement at 14332 Beacon Avenue
Date: July 19, 1995

MEMORANDUM

The Community Development Department has determined that the proposed fence repair/replacement project at 14332 Beacon Avenue in the Old Orland Historic District does not require a Certificate of Appropriateness because only the portion of fence along the south side of the lot will be replaced, and because it will be replaced with a replica of the original that matches the design, height, and construction. The project appears to be an ordinary maintenance item that would not require a Certificate of Appropriateness.

If you have any questions, please feel free to contact me.
