	November 16	to	November 20	

RESIDENTIAL STREETS and VILLAGE of ORLAND PARK PARKING LOTS

FOUR (4) SWEEPINGS

WEEK OF:	April 13	to	April 17
	July 13	to	July 17
	September 21	to	September 25
	* December 7, 8, 9, 10, 11		

Notes:

*Final sweeping to be scheduled for last week of season to clear leaves from street inlets prior to winter.

Dates are subject to change due to weather and/or unforeseen circumstances.

All streets with center medians must include sweeping of the median curb line.

Maps will be supplied depicting streets that are private, streets not yet accepted by the Village and streets without curbs and gutters.

Streets may be added periodically throughout the season as developments are accepted and streets are turned over to the Village for maintenance. In those instances, Waste Management will be notified and new maps will be issued.

All sweeping debris is to be deposited in the designated dumpsters unless authorized, in advance, due to weather conditions.

It is imperative that Waste Management drivers fill out the daily sweeping reports. These reports must be faxed (708-403-8798) or emailed to the Public Works Department either at the end of each day or at the beginning of the next day. This will allow Village staff to inspect each area in a timely manner.

Waste Management is to provide its own lock for the dumpster. Dumpster is to be locked at all times unless someone is working on-site. A duplicate key must be left at the Public Works Department.
